

THE WENSLEYDALE SCHOOL  
& SIXTH FORM  
LEYBURN

September 2020

Dear Parent/Carer

## **LOW MILL**

As part of your child's Key Stage 3 course in Physical Education we have organised a day of outdoor activities at Low Mill Centre, Askrigg on 30 September and 1 October 2020.

Not only will the day cover various elements included in the National Curriculum for Physical Education but it will also be an ideal way for the students from the different feeder schools to meet each other in a more social environment, thereby making their transfer to us less of an ordeal. I hope that they will enjoy themselves in the process too!

The cost of the day's activities will be £25.00 and since we are a cashless school this will need to be submitted via our online payment system ParentPay. Parents / Carers are asked to note that students will require a packed lunch and it is essential that students bring a change of clothes with them, as they will get wet!

Students should come into school on their normal bus on the day they are going. The Low Mill bus will then depart promptly at 9.00 am from school and return at approximately 4.30 pm. Activities will finish at the centre by 4pm if you are picking them up. Parents / Carers will need to make arrangements to collect their child at that time from school please. If you live in Askrigg or would like to drive your child there please confirm this when you email me at school.

As places on each day are limited we will be taking students with surnames A-H on Wednesday 30 September and students with surnames I-W on the Thursday 1 October 2020.

If you would like your child to participate in this event, please email [consent@wensleydaleschool.net](mailto:consent@wensleydaleschool.net) by Monday 21 September. Please ensure you provide the following details in your email:

- Your child's full name
- The name of the primary school your child attends
- Whether your child will need to travel on the school bus to/from Low Mill
- Whether your child can swim 25 metres unaided

Yours sincerely
