

THE WENSLEYDALE SCHOOL & SIXTH FORM REMOTE LEARNING POLICY

I. Aims

This Remote Learning policy for staff aims to:

- Ensure consistency in the approach to remote learning for students who aren't in school
- Set out expectations for all members of the school community with regards to remote learning
- Provide appropriate guidelines for data protection

2. Roles and responsibilities

In the event that students are unable to attend school due to Covid-19 related issues, or as a school we have to close either fully or partially, it is our responsibility to provide online learning for all.

2.1 Teachers

When providing remote learning, teachers must be available between 9.00 am and 3.45 pm.

If they are unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning, teachers are responsible for:

- Setting work (when school is open):
 - Upload all lesson resources and materials onto Google Classroom for all lessons taught. It is expected that this will be part of PPA time and it is not an expectation that this is a daily task.
- Setting work (when school is closed and skeleton staffing in place for Key workers ONLY):
 - Upload lesson resources and/or teaching videos (where technology is available) for all timetabled lessons, using Google Classroom format.
- Providing feedback on work :
 - Students work is submitted via Google Classroom or email.
 - Share group or individualised feedback in Google Classroom.
 - Use 'I can' statements on Go4schools to identify and assess knowledge and understanding.
- Keeping in touch with students who are not in school and their Parents/Carers:
 - SLT will direct tutors as and when necessary to make regular contact during periods of school closure. However, GO4schools is to be used as the first method of communication.
 - Normal working communication lines are expected to be maintained through school email system with Parents/Carers and other staff
 - Any complaints or concerns shared by Parents/Carers and students should be dealt with in conjunction with line managers, Curriculum Leaders or Pastoral Leaders.
 - Any behavioural issues, such as failing to complete work should be referred to Pastoral Leaders and tutors in the normal way.
- SLT will handle the vast majority of any virtual parents' meetings but in the unlikely event you are asked to join such a meeting it is expected that :
 - Dress code is appropriate i.e. smart casual
 - Locations – avoid areas with background noise, with nothing inappropriate in the background

2.2 Teaching Assistants

When assisting with remote learning, teaching assistants must be available between 9.00 am and 3.00 pm

If they are unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When assisting with remote learning, teaching assistants are responsible for:

- Supporting students who are not in school with learning remotely:
 - The SENDCo will direct Teaching Assistants to the students who may need contact and support with online learning
 - Adapting resources and keeping in regular contact with Parents/Carers as appropriate.
- Attending virtual meetings with teachers:
 - Dress code is appropriate i.e. smart casual
 - Locations – avoid areas with background noise, with nothing inappropriate in the background

2.3 Curriculum Leaders and SENDCo

Alongside their teaching responsibilities, Curriculum Leaders are responsible for:

- Considering whether any aspects of the subject curriculum need to change to accommodate remote learning
- Working with teachers teaching their subject remotely to make sure all work set is appropriate and consistent
- Working with Curriculum Leaders and senior leaders to make sure work set remotely across all subjects is appropriate and consistent and deadlines are being set an appropriate distance away from each other
- Monitoring the remote work set by teachers in their subject through regular meetings with teachers or by reviewing work set
- Alerting teachers to resources they can use to teach their subject remotely

2.4 Senior Leaders

4. Data protection

4.1 Processing personal data

Staff members may need to collect and/or share personal data such as school email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals will not need to give permission for this to happen. However, staff are reminded to collect and/or share as little personal data as possible online.
